

FISCAL NOTE

HB 2286 - SB 2263

January 23, 2004

SUMMARY OF BILL: Specifies that in lieu of the trustee mailing a separate receipt to a taxpayer when a portion of the tax notice is retained by the taxpayer, the tax notice shall clearly state that the taxpayer should retain a portion of the notice and inform the taxpayer that they can get a separate receipt from the trustee by including a self-addressed stamped envelope with their payment.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant

Estimate assumes local governments, where a portion of the tax notice is to be retained as the receipt, will experience a not significant increase in expenditures for the costs of changing the wording on their tax notices to indicate that a separate receipt will be mailed to individuals who include a self-addressed stamped envelope with their payment, and for administrative costs associated with providing receipts under this system.
